BANGOR WEST IS HAVING A MAKEOVER!

Dr. David Nelson
Clinical Director

As 2010 draws to a close, I am delighted to announce exciting changes at Bangor West. The practice is having a makeover and will now be known as Cranmore, with a second practice located at 15 Windsor Avenue Belfast (just off Lisburn Road).

At Cranmore the patient journey combined with delivering excellence in dentistry remains our key focus. Relax in our waiting room with its plasma screen TV whilst enjoying a complimentary coffee from our new Nespresso machine (albeit we cannot guarantee George Clooney will be there)!

On behalf of myself and the team, we would like to thank you for your continued support and wish you a Happy Christmas.

DENTAL FOCUS INMAN ALIGNER

The Inman Aligner is a revolutionary discreet orthodontic treatment which is designed to correct adult relapse and misaligned teeth. It has been causing quite the stir state-side and is now available in the UK. It is barely visible, apart from a single clear bow, and it is a removable orthodontic appliance, allowing the wearer to go brace-free for important occasions.

Most patients will be treated between 6 to 16 weeks. For further information please visit our website www.cranmoredental.com

SMILE MAKEOVER DREAM TEAM

Dr. Ailish McBride BDS (Hons), MFGDP, Dip (Rest. Dent.)

As you may be aware, Ailish joined the practice earlier this year. She is an Honours graduate from Queen's University Belfast and subsequently obtained a Diploma in Restorative Dentistry from The Royal College of Surgeons London. Ailish is one of only a few dentists in Northern Ireland to hold this prestigious qualification and has a wealth of experience in cosmetic dentistry. In addition she offers various sedation techniques to enhance the treatment of nervous patients thanks to her qualification as a member of SAAD (Society for the Advancement of Anaesthesia In dentistry).

Dr. Linda McGuckin BDS (Hons), MFGDP

Linda graduated with Honours from Queen's University Belfast, receiving the Marshall Swan medal as the most distinguished graduate. In 2005 she achieved her MFGDP through the Royal College of Surgeons London. She has many years experience providing all forms of dental treatment including the use of dental sedation techniques. Linda has a particular interest in cosmetic dentistry and continues her study in the evolving field of cosmetic dentistry through attendance at various courses. She has now gained certification to provide the Inman Aligner cosmetic orthodontic treatment.

Laura Bebbington

Laura was born in Papua New Guinea and has lived in various African countries. She came to Northern Ireland in 2003 and qualified through the Royal College of Veterinary Surgeons as a Veterinary Nurse in 2006. In 2010 she qualified from Queen's University Belfast with a Distinction in Dental Hygiene. Laura joined the Cranmore Team in September and works in both Bangor and Belfast. She loves travelling, experiencing new cultures and was the first person to commercially Tandem skydive in Moshi, Tanzania.

CHOOSE CRANMORE BECAUSE IT DELIVERS...

- 1. Excellence in Dentistry.** Our highly qualified and skilled team of dentists continually keep up to date with the latest advances in dentistry.
- 2. Excellence in Technology.** We invest in the latest technological advances in dental equipment to provide the best results, including:
 - **CEREC** Our dentists use CEREC technology so you can be in and out in a single visit with a permanent, all ceramic crown, onlay, or veneer! For you, the patient, this means fewer injections, less drilling, and less time out of your hectic schedule.
 - **ZOOM Advanced Power Whitening** Achieve the ultimate white smile with this in-surgery treatment in less than one hour - just like the X-Factor contestants!
 - **LASER** For the anxious patient the biolase dental laser is an alternative to the dental drill and we are the first practice in Ireland to offer this treatment.
- 3. Excellence in Labs.** We only use the best dental laboratories to provide stunning results. Why not view the precise art of technical dentistry at www.lukebarnett.com.
Luke Barnett Laboratory has recently been awarded the prestigious 'Best UK Dental Laboratory' at the Private Dentistry Awards 2010.

CRANMORE IN THE COMMUNITY

This Newsletter has been prepared for delivery by the diligent team at Orchardville Business Centre. Orchardville is a voluntary organisation which provides support to people with learning disability to realise their full potential and achieve a sense of fulfillment.

Cranmore supported a number of charities in 2010. We are interested in hearing from patients who would like support for their favourite charity in 2011.

Please email your suggested charity, together with details of the reasons on or before 31st December to brenda@cranmoredental.com

BABY BOOM CONGRATULATIONS TO...

Leanne from our Welcome Team on the birth of baby Oliver! We are delighted to have Leanne back with us in the practice.

Melanie from our Hygiene Team on the birth of baby Rubin!

REFER A FRIEND

We prefer to grow our business by referrals. Referrals from existing patients have helped us grow and invest in further technology increasing your care levels over the years.

If you think there is someone who you know we could help

Tell us and tell them.
